

QUICK RESULTS.

W. J. Hill, of Concord, N. C., Justice of the Peace, says: "Doan's Kidney Pills proved a very efficient remedy in my case. I used them for disordered kidneys and backache, from which I had experienced a great deal of trouble and pain. The kidney secretions were very irregular, dark colored and full of sediment. The pills cleared it all up and I have not had an ache in my back since taking the last dose. My health generally is improved a great deal."

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

A Grateful Customer.

"I suffered for four years with eczema on the ends of eight of my fingers. Had it so long my fingers drew up and could do nothing at all at times, and I tried almost everything that I ever heard of, including several largely advertised ointments, spending many dollars for them. Never a thing did it any good at all. At last I saw in home paper Hunt's Cure was being advertised and tried only a part of one box, which cost me only 50 cents, and it cured them. Now I can wash or do anything which before I could not without my fingers bleeding, burning and paining me very much. If this ever comes back I surely will know just what to get. I wish every friend and stranger that had anything of the kind could have seen my fingers before I used this and see them now. It is the best Ointment on earth. That 50 cent box was worth a hundred dollars to me. You deserve all thanks that can be given you for that wonderful salve, Hunt's Cure."

W. L. DOUGLAS

W. L. Douglas makes and sells more men's \$3.50 shoes than any other manufacturer in the world.

The reason W. L. Douglas \$3.50 shoes are the greatest sellers in the world is because of their excellent style, easy fitting and superior wearing qualities. If I could show you the difference between the shoes made in my factory and those of other makes and the high-grade leathers used, you would understand why W. L. Douglas \$3.50 shoes cost more to make, why they hold their shape, fit better, wear longer, and are of greater intrinsic value than any other \$3.50 shoe on the market to-day, and why the sales for the year ending July 1, 1904, were \$6,263,040.00.

W. L. Douglas guarantees their value by stamping his name and price on the bottom. Look for it—take no substitute. Sold by shoe dealers everywhere.
